

# REDUCE VEHICLE ACCIDENTS ENHANCE ROAD SAFETY *with*

## eTrans ADAS (Advanced Driving Assistance System)

eTrans ADAS sets the benchmark in automotive innovation. An effective blend of safety, convenience and efficiency, eTrans ADAS assists drivers with safety-critical functionality to reduce accidents and save lives.

### BENEFITS

### ALERT TYPES

**Forward Collision Warning (FCW)**

**Pedestrian Collision Warning (PCW)**

**Lane Departure Warning (LDW)**

### SPECIFICATIONS

#### Machine Learning Capabilities:

ADAS systems continuously analyze and convert complex data patterns to detect obstacles.

#### Human-Machine Interface (HMI):

Driver interface through auditory alerts and haptic feedback for seamless driving experience while minimizing distractions.

#### Control Systems:

Advanced control systems such as Forward Collision Warning (FCW) and Pedestrian Collision Warning (PCW) for enhanced safety and convenience.
